TEFUTE USA, INC. | STONE-COATED STEEL ROOFING

LIMITED FULLY TRANSFERABLE WARRANTY

Revised October 27, 2026 | Express limited product warranty

50 YEARS	120 MPH	< 2.5 IN.
LIMITED PRODUCT TERM	WIND PERFORMANCE	HAIL PENETRATION

1 | SCOPE OF THIS WARRANTY

This express limited product warranty (the "Warranty") applies only to individual stone-coated steel roof panels supplied under the Tefute USA brand (the "Products") by Tefute USA, Inc. ("Tefute"). Accessory materials, products supplied under another brand, and installation labor performed by contractors or other third parties are not covered.

2 | COVERED MANUFACTURING DEFECTS

For fifty (50) years beginning on the date a Product is installed on a residence or other building (the "Property"), Tefute warrants that each Product will be free from manufacturing defects that cause: (a) an abnormal loss of the surface-coating appearance, excluding normal weathering such as minor granule loss or minor fading; (b) failure to withstand wind velocities up to one hundred twenty (120) miles per hour; (c) warping, lifting, or curling when the Product has been installed in accordance with applicable local codes and Tefute's published installation standards and instructions (the "Installation Instructions"); or (d) penetration by a hailstone measuring less than two and one-half (2.5) inches in diameter.

3 | AVAILABLE REMEDIES

After confirming a covered defect, Tefute may choose to repair the affected Product, provide replacement Product, or refund the purchase price paid for the affected Product. If replacement is selected, coverage during years 1-20 includes one replacement Product for each defective Product plus the reasonable labor cost to replace the defective Product. During years 21-50, Tefute will provide one replacement Product for each defective Product, but will not pay replacement labor.

INSPECTION, MATCHING, AND WARRANTY TERM

Before replacement or reimbursement, Tefute may remove, or arrange for the removal of, enough undamaged Product to examine the reported condition. Tefute will make reasonable efforts to provide replacement Product of the same color and design. Because colors may vary by production date and profiles may be changed or discontinued, Tefute may instead provide a Product with a reasonably similar color and design. A repair, replacement, or refund does not restart or extend the original fifty-year term. Except for a necessary emergency repair, this Warranty is void if a Product is repaired or modified without Tefute's prior written approval.

4 | REGISTRATION AND AUTOMATIC TRANSFER

The Property owner must register this Warranty within thirty (30) days of installation by contacting Tefute or visiting www.tefuteusa.com.

During the Warranty term, coverage transfers automatically to each later owner of the Property. A sale or other transfer of the Property does not excuse any owner from satisfying the conditions required to obtain or maintain coverage.

5 | CONDITIONS NOT COVERED

This Warranty does not cover: (a) damage occurring during installation or resulting from improper installation, including failure to follow local building codes, accepted trade practices, or the Installation Instructions; (b) damage caused by roof traffic or by foreign objects falling onto the roof; (c) damage to a Product or the Property caused by a hurricane or tornado with wind speeds above one hundred twenty (120) miles per hour, or Product damage caused by debris carried by hurricane- or tornado-force winds; (d) damage resulting from any other act of God; (e) damage caused by climate-specific conditions, including mold, mildew, or other growth; (f) damage caused by the failure or movement of a structural element of the Property; or (g) fading, color change, hue variation, or physical deterioration of color from any cause, including weathering, oxidation, air pollutants, or improper cleaning.

6 | ENTIRE PRODUCT WARRANTY

This document states Tefute's complete express limited warranty for the Products. To the fullest extent allowed by law, Tefute disclaims every other express, implied, and statutory warranty relating to the Products, including the implied warranties of merchantability and fitness for a particular purpose.

7 | LIMITATION OF LIABILITY

UNDER NO CIRCUMSTANCES WILL TEFUTE BE LIABLE FOR INDIRECT, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, LOST PROFITS, OR DAMAGE TO ANY PROPERTY, ITS CONTENTS, OR ITS OCCUPANTS.

8 | NO AUTHORITY TO CHANGE TERMS

No person, employee, agent, distributor, installer, or other party may alter this Warranty orally or in writing. Statements in advertising, brochures, or other printed materials are not warranties and do not bind Tefute unless they are expressly included in this document.

9 | HOW TO MAKE A CLAIM

A claim will be considered only when: (a) the claimant provides proof of purchase; (b) Tefute receives notice no later than thirty (30) days after the claimant learns of the facts supporting the claim; and (c) Tefute is given a reasonable opportunity to investigate and approve the claim. Claims may be sent to tefute@tefuteusa.com or submitted through www.tefuteusa.com.

10 | RIGHTS UNDER STATE LAW

This Warranty gives the Property owner specific legal rights, and the owner may also have other rights that vary by state. If applicable state law requires an additional or different term, this Warranty will be treated as modified only to the minimum extent necessary to comply with that law, avoid invalidity of this Warranty or any provision, and prevent fines, penalties, or liability.
